

## OKLAHOMA ACADEMY OF CLASSICAL ART STUDIO POLICIES

*We are so excited to welcome you to our open studio sessions and we hope you enjoy the opportunity to practice your craft with us.  
Thank you for joining us!*

- Please sign in and pay for the open studio session when you arrive. The studio monitor will have a convenient location for signing in and to receive your payment. Please try to have exact amount, rather than large bills as we may not have change.
- Please be courteous to others around you by using ODORLESS solvents and mediums (no maroger or citrus based solvents). A metal trash can is provided for solvent rags only. Please do not put your rags in any other trash can in the building. DO NOT DISPOSE OF FULL OR SEMI-FULL SOLVENT CONTAINERS in our building. Please take them with you.
- Please clean your area after use, including wiping off your easel of paint or pastel spills and clearing pencil shavings off the floor.
- Please do not lean EASELS backward. This practice puts extra strain on the easel parts, causing them to weaken the easel.
- The studio sinks are for hand washing only. Please clean your brushes and other materials at home.
- Please extend professional courtesy to the model. Do not touch the model or attempt to adjust the pose. The open studio monitor will set the pose and will make requests for adjustment as needed during the session.
- Photographing the model during nude figure sessions is not allowed. If, during clothed model sessions, you need photographic reference, ask the model for permission prior to taking photos. Private or photo modeling session with the model are at the discretion of the model.

THANK YOU FOR OBSERVING AND ADHERING TO OUR OPEN STUDIO POLICIES
